STANFORD
Coachworks
BUILDERS OF LUXURY & ACCESSIBLE VEHICLES

ABOUT US

Our industry leading wheelchair accessible minibuses offer a wide variety of options. This enables us to design a bespoke vehicle for our clients which meets all of their specific transport requirements.

Every Stanford's vehicle is custom built to order and therefore we are able to provide personalised vehicles, with all of the extra touches, to meet your demands.

Use our extensive Component Catalogue today to help design your own minibus specification.

YOUR STANFORD COACHWORKS MINIBUS TAILORED TO YOU

SEATING UPHOLSTERY & DESIGN OPTIONS

To help make your vehicle meet your requirements, we have a wide range of seating trims, materials and design options available.

Genuine seating material is available to match the front cabin seats if required.

HEADREST OPTIONS

TOP TIP: Wipe clean material is the perfect choice for a Medical Service Vehicle!

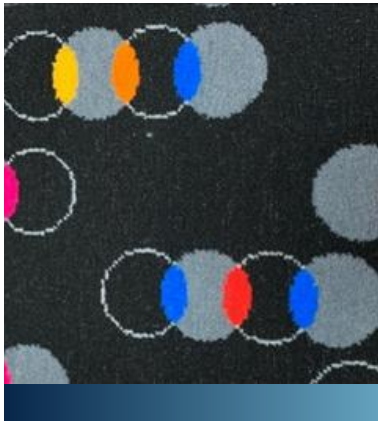

This Fiat Ducato features green accents including our exclusive double fold-out step, a custom modesty screen & feature panels.

Inside, the vehicle features Liquorice wipe clean passenger seating with bespoke green stitching.

MOQUETTE SEATING MATERIAL OPTIONS

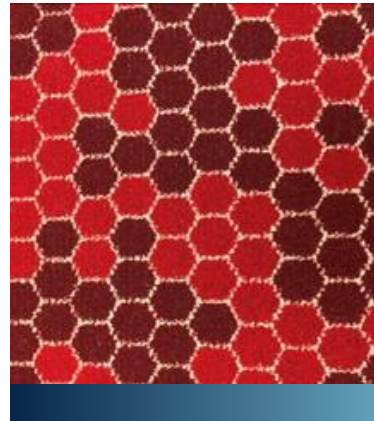

If you would rather not have the standard factory material in your minibus, we offer a wide range of moquettes as shown below. From bright colours and patterns to low key designs, there is something for everyone!

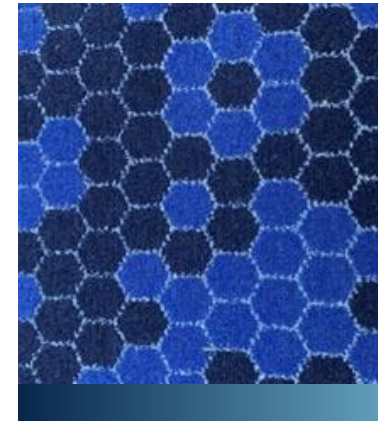

BXB053

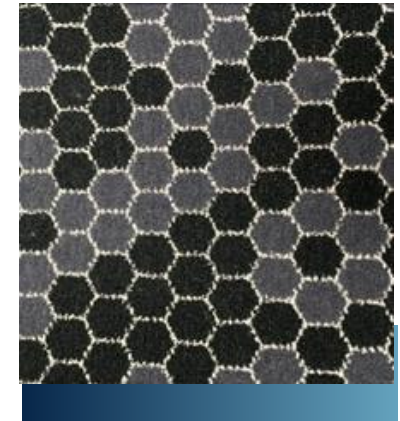

BXG054

CCC324

CCC326

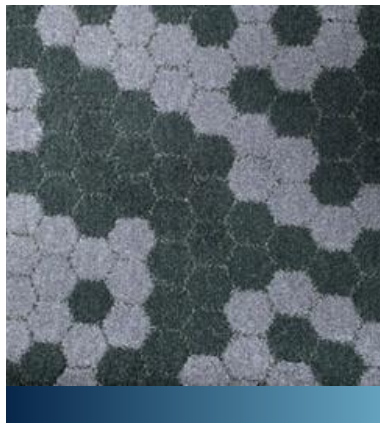

CCCB96

TOP TIP: We recommend choosing a moquette back and a wipe clean base for your seat.

CCCC11

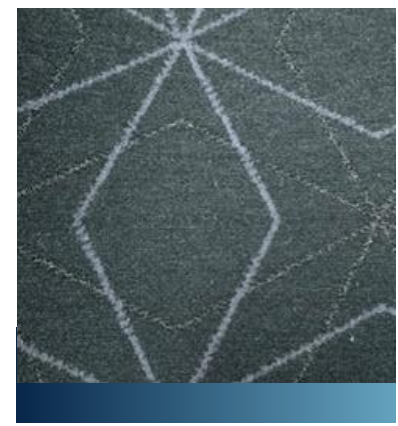

CCCC12

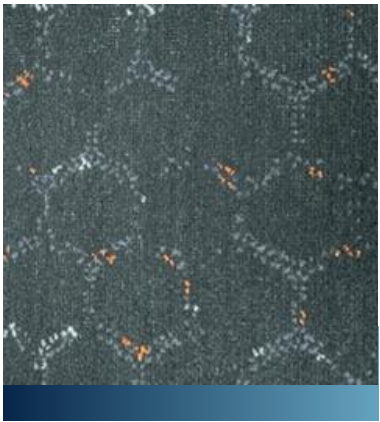

CCD326

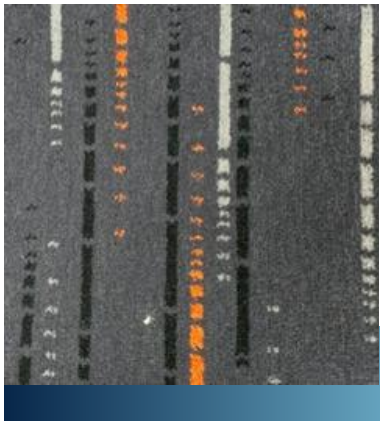

CCDC11

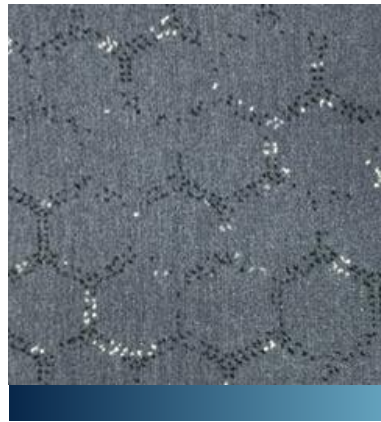

CCDC12

CCEC11

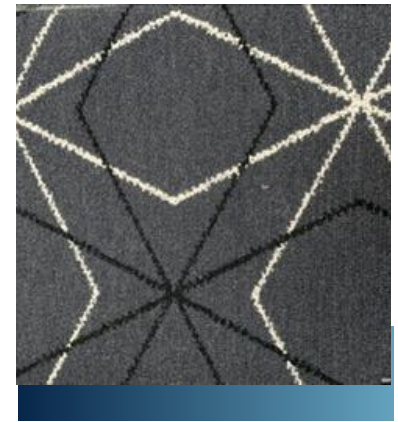

CCGC11

CCHB96

CCJB96

CCKB96

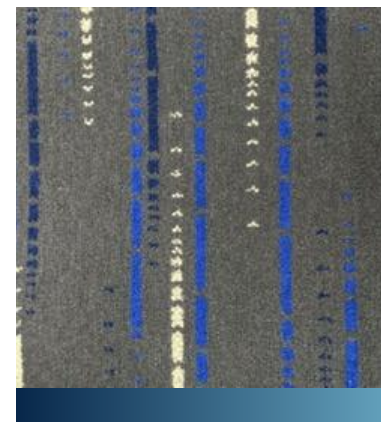

CCLB96

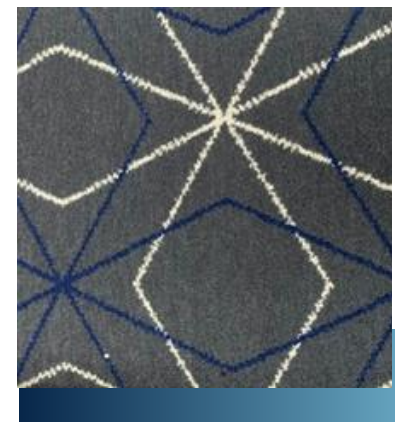

CCMC14

CCPC14

CCQC14

CCRC14

These seats feature a BXB053 moquette trim back with a wipe clean base and PU headrests.

The overhead cab panel and the centre roof panel also feature matching BXB053 trim.

INTERIOR & FLOOR LINING OPTIONS

Choose from an extensive range of interior lining materials for both above and below window levels. We also have a range of floor lining options available.

TOP TIP: We recommend using a lighter colour for the upper window lining and a darker colour for the lower window lining.

WINDOW LINING: HI-FLEX VELOUR

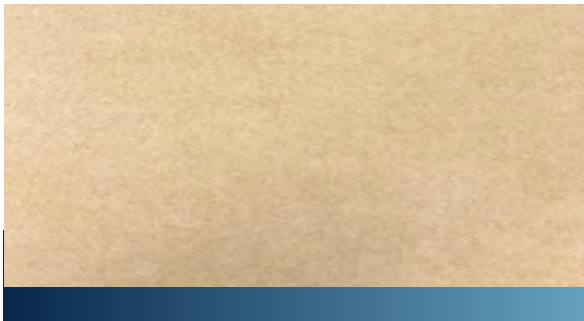

SILVER

SMOKE

ANTHRACITE

WHEAT

PACIFIC

DARK BLUE

TOP TIP: Smoke above the window lining, Anthracite below the window lining and Ebony Timber go great together!

WINDOW LINING: HI-FLEX VELOUR
