

FIAT DUCATO

Wheelchair Accessible Conversions

STANFORD
Coachworks
BUILDERS OF LUXURY & ACCESSIBLE VEHICLES

ABOUT OUR CONVERSIONS

Our industry leading wheelchair accessible minibuses offer a wide variety of options, this enables us to design a bespoke vehicle for our clients which meets all of their specific transport requirements.

Every Stanford's Fiat Ducato is custom built to order and therefore we are able to provide our clients with a personalised vehicle with all of the extra touches that meet your demands.

This wheelchair accessible conversion features our exclusive fold-out step with green accents.
