OUR RELATIONSHIP WITH FORD

At Stanford Coachworks we are proud to say that we are an accredited Ford Qualified Vehicle Modifier (QVM). We are unique from other QVM companies as we offer conversions on a number of Ford products including the Transit panel van (all wheelbases and heights), the Transit Custom and the Tourneo Connect.

Wheelchair accessible Ford Transit Jumbo

This conversion features an underfloor tail lift

FORD TRANSIT CUSTOM CONVERSIONS

ABOUT OUR FORD TRANSIT CUSTOM CONVERSIONS

Although smaller than our Ford Transit conversions, our Ford Transit Customs can facilitate up to 8 passengers or 3 wheelchairs depending on seating configuration and internal layout. These conversions are perfect for organisations with drivers who do not hold a D1 driving licence. Their smaller size also means that they are easy to manoeuvre, park and store.
