Stanford Coachworks: PTS Vehicles

Stanford Coachworks Passenger Transport Service (PTS) buses are built to suit individual authorities and designed to meet the most rigorous and demanding situations. All special features are stringently tested and conformed to the latest legislation and health & safety regulations.

Popular Options Include:

- Piped oxygen and oxygen storage
- Emergency sirens
- Full wipe clean interior
- Stretchers and restraint systems
- Lowerable suspension
- Choice of tail lifts
- Tip and fold seats
- Alloy lockable luggage racks
- Privacy tinted windows
- Stretcher lifts

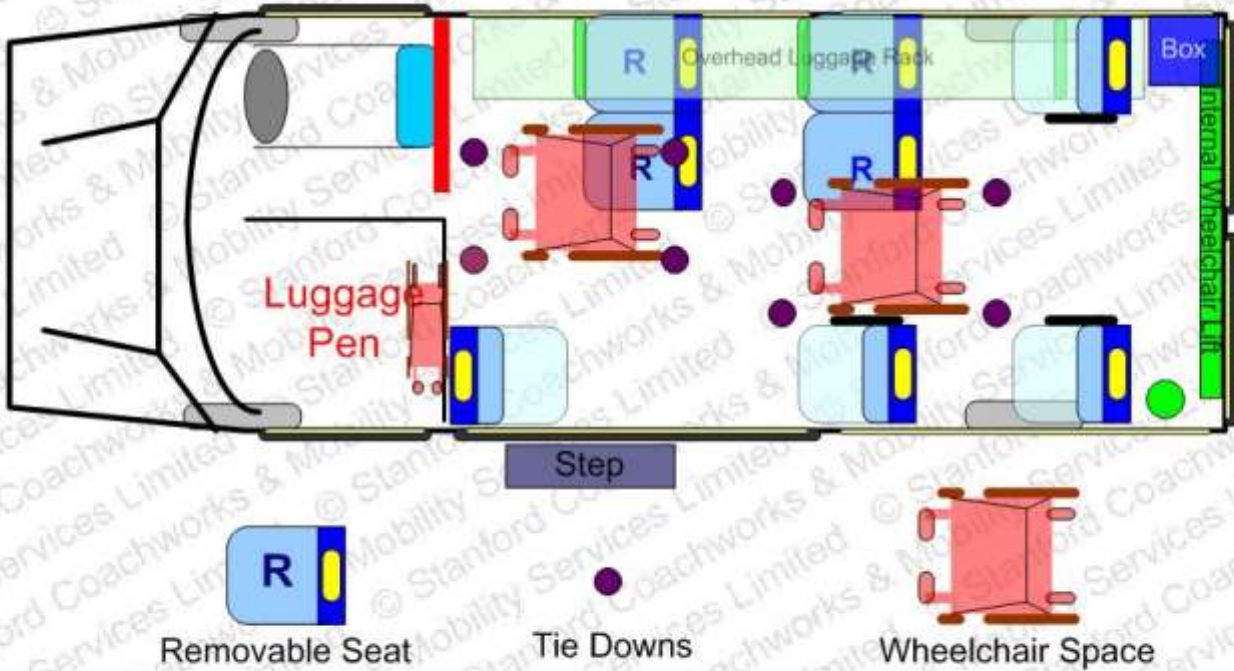

The materials used in our Passenger Transport Service vehicles provide a completely sterile environment ensuring the highest standards of functionality and durability combined with comfort and safety.
